What to Bring: The Big 5 and more!

1. Kayak - the smallest & lightest you can find (Check with Riversport or other suggested vendors for rentals, specify child's size)
2. Paddle - shorter and lighter is better. Weight is more critical than length if you have to choose.
3. Life Jacket - When buckled properly, shoulders of life jacket should not be able to be lifted above the child's ears. Child should lift off ground before jacket rises over ears. Try jacket on the child before you get to the clinic.
4. Helmet- full head coverage preferred, including ears and back of head.
5. Sprayskirt - For younger paddlers, bungee cord cockpits preferred. Children 8 & under who have never been in a boat before or are a basic beginner will only need a nylon or similar splash skirt. If you are unsure of the type you will need, please call ahead of time to discuss. Some children may not be using skirts at all ... but it's one of the 5 'must haves' for normal kayaking.
6. Nose plugs - any style, preferably on a string of some type to attach to helmet or lifejacket. Available where goggles and such are sold, even sometimes the dollar store.
7. Lunch - non-perishable, nothing needing refrigeration for the day. Lunch should be in a waterproof bag or container. Double any Ziplocs if that is what you will be using.
8. Water bottle - 1 for each day or a refillable container ... one that does not leak when laid on side or upside down.
9. Sunscreen - Especially for face and hands.
10. Clothing - Wetsuit, polypro long underwear or fleece pants and top, the water is usually cold in the lake. Fleece is polyester. DO NOT USE COTTON. Swimsuit under whatever else they are wearing.

Meeting Place

Saturday and Sunday, June 6 and 7, meet by 9 a.m. for sign-in at Breakneck Campground in the pavilion near the Lodge. Anyone joining us only on Sunday will need to contact the instructor before the weekend and set up a contact plan for Saturday night or Sunday morning. Sunday's plans will be determined by Saturday's events and weather. Students will regroup with their families at the Campground before dinner. If parents are participating in the clinic and are not available when the youth returns, children will be kept in the general area of the instructors' camp or the camp of a fellow youth participant whose parent stayed at the campground. No child under 15 will be allowed to venture around on their own. Children will use a buddy system in the campground until their chaperones are present. If you allow your child to be released to someone other than the parent/guardian, please notify the instructor when dropping the child off. Please be sure the child has dry clothes to change into upon returning to the campground.
